

PEAK PERFORMANCE & ATHLETICS

24/7

We are sorry to hear you have decided to end your membership with Peak Performance & Athletics. If you wish to cancel, a written 30 day notice must be submitted. **Cancellations cannot be done over the phone, online or by email.** For your convenience, there is a *cancellation form* (below for you to complete and submit). If you are not able to complete the form, you may mail our cancellation form to our office. Requests may be hand delivered to our office (during office hours). **All past due amounts must be paid in full for your cancellation to complete.** If there is a minimum payment term that has not yet been fulfilled, an early termination fee will apply to each member cancelling.

Cancellation requests will void out any current or future freeze status.

****Please note there is a 30 day notice required for all cancellations. Cancellation requests will void any current or future freezes.***

*** You will be charged for that month. Plus one additional month (at the same rate you committed too) as notice.**

*** The buy-out fee for any contract is subject to the buyout fee of \$68.25**

Due to many different requests we cannot stray from this module as it must be uniform for all members.
